

Chers étudiants et amis de L'École Française,

First of all, we sincerely hope that you and your loved ones are well, confined and safe and are coping with this current tragedy.

We are personally contacting you today to communicate on the adjustments we are making in response to the Coronavirus (COVID-19).

### **VIRTUAL CLASSES WITH ZOOM**

We will be implementing virtual classes for the Spring session via the video conferencing services **ZOOM** you may use on your phones, laptops, computers, tablets (more information at <https://www.zoom.us> : « Un grand merci à Bill et Laurie » for training us!)

### **SPRING SESSION 2020: APRIL 6 - JUNE 13**

Therefore, we have decided to postpone the Spring session to one week from the original starting date so that you may adjust, implement and test this video conferencing platform ahead.

Classes will now be starting on **April 6th** and will be ending on **June 13th** (instead of March 30th to June 6th).

Registration period is still open and will be closing on April 12th.

We will reach out to you personally **this week** to offer you **guidelines and recommendations** to use this platform and be prepared for our upcoming session.

### **ONLINE PRIVATE TUTORING (Zoom, Facetime, Skype, WhatsApp...)**

As a gesture of solidarity in these difficult times, we will be offering a **20% discount for online private tutoring lessons**. Feel free to contact our office to plan your lessons.

We truly apologize for the inconvenience we may cause you, rest assured we are doing our very best to provide you with the highest and safest quality of learning services. If you may have a **special request (refunds, credits, payment plans or other needs)**, please know that we are here to accommodate you! Your well being comes first! Flexibility is a must!

In the meantime, take good care of yourself, your loved ones and your community, stay confined to remain healthy, assist those who need help, protect the « unprotected », rest and heal if you are positive... we need you! Humanity is being challenged (and we might deserve it!), but let's demonstrate understanding, patience, discipline and caring values!

We look forward to seeing you online with... ZOOM ;-)

Prenez bien soin de vous, soyez prudents et restez confinés!

Cordialement,

LéF Team (Liberté, Égalité, **FRATERNITÉ** !)
